Subject: Amendment in Standard Bidding Documents for procurement of Inter-State Transmission Services through Tariff Based Competitive Bidding (TBCB) process

Madam/Sir,

Reference is invited to revised Standard Bidding Documents (comprising of Request for Proposal (RfP) and Transmission Service Agreement) for procurement of Inter-State Transmission Services through Tariff Based Competitive Bidding (TBCB) process issued by Ministry of Power vide OM No. 15/1/2017-Trans dated 13th August 2021 and to say that representations have been received from the transmission developers seeking relaxation in respect of Para 1.6.1.1 of RfP document and Para 5.1.4 (a) of TSA document, wherein it is mentioned that actual location of substations, switching stations or HVDC terminal or inverter stations in the scope of Transmission Service Provider (TSP) shall not be beyond 1 km radius of the location proposed by the BPC in the survey report.

2. The matter has been examined in this Ministry. it has been decided that Para 1.6.1.1 of RfP document and Para 5.1.4 (a) of TSA document shall stand modified as under:

Para / Document	Existing Provisions	To be replaced by
Para 1.6.1.1 of RfP	Establishment, operation and maintenance of the Project on build, own, operate and transfer basis and completion of all the activities for the Project, including survey, detailed project report formulation, arranging finance, project management, necessary	Establishment, operation and maintenance of the Project on build, own, operate and transfer basis and completion of all the activities for the Project, including survey, detailed project report formulation, arranging finance, project management, necessary Consents, Clearances and

	Consents, Clearances and Permits (way leave, environment & forest, civil aviation, railway/ road/ river/ canal/ power crossing/ PTCC, etc.), land compensation, design, engineering, equipment, material, construction, erection, testing & commissioning. Further, the actual location of substations, switching stations or HVDC terminal or inverter stations in the scope of TSP shall <i>not be beyond 1 Km radius of the location proposed by the BPC in the survey report.</i>	Permits (way leave, environment & forest, civil aviation, railway/ road/ river/ canal/ power crossing/ PTCC, etc.), land compensation, design, engineering, equipment, material, construction, erection, testing & commissioning. Further, the actual location of substations, switching stations or HVDC terminal or inverter stations in the scope of TSP shall <i>not be beyond 3 Km radius of the location proposed by the BPC in the survey report.</i>
Para 5.1.4 (a) of TSA	The TSP shall be responsible for (a) [To be deleted by the BPC in case no land acquisition is involved in the Project and replaced by "deleted"] acquisition of land for location specific substations, switching stations or HVDC terminal or inverter stations. Also, the actual location of substations, switching stations or HVDC terminal or inverter stations <i>shall not be beyond 1 Km radius of the location proposed by the BPC in the survey report;</i>	The TSP shall be responsible for (a) [To be deleted by the BPC in case no land acquisition is involved in the Project and replaced by "deleted"] acquisition of land for location specific substations, switching stations or HVDC terminal or inverter stations. Also, the actual location of substations, switching stations or HVDC terminal or inverter stations <i>shall not be beyond 3 Km radius of the location proposed by the BPC in the survey report;</i>

3. This issues with the approval of the Hon'ble Minister for Power and New & Renewable Energy.

Yours faithfully,

(Goutam Ghosh)
