

**CENTRAL ELECTRICITY REGULATORY COMMISSION  
NEW DELHI**

**No.L-1/44/2010-CERC**

**Coram:**

**Shri P.K Pujari, Chairperson  
Dr. M.K. Iyer, Member**

**Date of Order: 15.11.2018**

**In the matter of:**

Determination of Point of Connection (PoC) rates and transmission losses for the period of October to December, 2018 in accordance with Regulation 17(2) of Central Electricity Regulatory Commission (Sharing of Inter State Transmission Charges and Losses) Regulations, 2010 and amendments thereto.

**And in the matter of:**

1. National Load Despatch Centre, NewDelhi
2. Central Transmission Utility, NewDelhi

**.....Respondents**

**ORDER**

The Central Electricity Regulatory Commission (Sharing of Inter-State Transmission Charges and Losses) Regulations, 2010 (herein after “2010 Sharing Regulations”) came in to effect from 1.7.2011. The third amendment to the 2010 Sharing Regulations came into force on 1st May,2015.

2 National Load Dispatch Centre as the Implementing Agency has been entrusted with the responsibility for computation of transmission charges and losses for each financial year under the 2010 Sharing Regulations. Further, as per Regulation 17 of the 2010 Sharing Regulations, the Implementing Agency is required to submit the following information after the computation of transmission charges and losses:-

- (a) Approved Basic Network Data and Assumptions, if any;
  - (b) Zonal and nodal transmission charges for the ensuing Application Period;
  - (c) Zonal and nodal transmission losses data for the ensuing Application Period;
  - (d) Schedule of charges payable by each constituent for the ensuing Application Period;
  - (e) YTC detail (information submitted by the transmission licensees covered under these Regulation and computation by Implementing Agency);
  - (f) Zone wise details of PoC Charges to enable each DIC to see details of transmission lines it is using and whose transmission charges it is sharing.
3. The Implementing Agency in its letter No. POSOCO/Trans. Pricing/CERC/305 dated 2.11.2018 has submitted following information in compliance with Regulation 17 of the 2010 Sharing Regulations:-
- (a) Approved Basic Network Data and Assumptions;
  - (b) Zonal and nodal transmission charges for the ensuing Application Period;
  - (c) Zonal and nodal transmission losses data for the ensuing Application Period;
  - (d) Schedule of charges payable by each constituent for the ensuing Application Period;
  - (e) Yearly Transmission Charges(YTC) details of ISTS Licensees;
  - (f) PoC rates and loss percentage computation details;
  - (g) LTA /MTOA and their commencement schedule.

4. We have examined the basic network data and assumptions, the results of the Load Flow Studies, the Yearly Transmission Charges of the ISTS licensees and the calculation of PoC Charges for demand zone and injection zone (for LTA to target

region) submitted by the Implementing Agency. We have also examined the calculation of losses on PoC based on average losses. Final % losses shall be applicable on demand zones and injection zones. We find that the calculations submitted by the Implementing Agency have been done as per 2010 Sharing Regulations and amendments thereof and accordingly, we approve the Basic Network, Load Flow and the Assumptions made for computation of the final PoC rates and final transmission losses, their fitment into slabs and schedule of charges payable by each DIC for the period from October to December, 2018, as submitted by Implementing Agency.

5. The Implementing Agency after computation of PoC rates and transmission losses for each injection zone and demand zone has assigned them to different slabs. We have gone through the details furnished by the Implementing Agency and find the same in order. We have also examined the details of PoC losses in percentage for each demand zone (for withdrawal DICs) and injection zone (for injecting DICs) and its applicable slab as per slabs approved by the Commission and have found them to be in order.

6. In the light of the above, we approve the following:-

(a) The applicable PoC slab rates for Long Term Access (LTA) and Medium Term Open Access (MTOA) in `/MW/month for each demand zone (for withdrawal DICs) and injection zone (for injection DICs having LTA to target region) as per details at Annexure-II. The slabs for POC rates for LTA / MTOA are as follows:-

PoC Slab	(~/MW/Month)
I	439419
II	392375
III	345331
IV	298288
V	251244
VI	204201
VII	157157
VIII	110113
IX	63070

(b) The Generation and Demand figures (MW) considered in base case of PoC Q3 2018 -19 is given in Annexure-I.

(c) The Reliability Support Charges, HVDC Charges for all Regions and HVDC Charges for Mundra- Mohindergarh are given in Annexure-II.

(d) The applicable PoC slab rates for Short Term Open Access (STOA) in paisa per unit for each demand zone (for withdrawal DICs) and injection zone (for injecting DICs) as per the details at Annexure-III to this order. The slabs for POC rates towards STOA are as follows:-

PoC Slab	(paisa/unit)
I	30.08
II	26.48
III	22.87
IV	19.27
V	15.67
VI	12.07
VII	8.47
VIII	4.87
IX	1.27

(e) Reliability Support Charge Rate in respect of STOA as per the details at Annexure-III to this order.

(f) Transmission losses as per the details at Annexure-IV. These slabs for each Region shall be applied based on last week's actual Regional Losses. The slabs of loss are as follows:-

<b>PoC Losses Slab</b>	<b>% of Losses</b>
I	V +1.00%
II	V +0.75%
III	V +0.50%
IV	V +0.25%
V	Average Loss
VI	V -0.25%
VII	V -0.50%
VIII	V -0.75%
IX	V -1.00%

7. We also direct the Implementing Agency to publish zonal PoC Rates and zonal transmission losses and associated details which will enable a clear understanding of the calculations used for arriving at these rates, along with underlying network information and base load flows used.
8. In order to ensure smooth changeover of short term transactions from the existing rates to the new rates of sharing of transmission charges, we direct that in respect of the applications made for scheduling of bilateral and collective transactions received on or before the date of issue of this order, short-term open access charges would be payable at the rates applicable for the application period from July-September, 2018 (Q2 of 2018 -19) and for applications received after date of issue of this order, the short-term open access charges shall be payable as per the rates approved vide this order. Taking into consideration the application of weekly losses, we direct that the application of the new PoC loss slabs would be made applicable from the Monday immediately following the date of issue of the instant order. The rates/losses as approved vide this order shall remain applicable till notification of the next order.

9. The Implementing Agency is directed to endorse a copy of this order to all DICs and other concerned agencies. The Implementing Agency and the Central Transmission Utility shall also give wide publicity to this order through their websites.

**Sd/-**
